Details of the pre-application advice received

Hi Colin

The materials on this were formally signed off by application ref no CDN/21/0896 - looking at the approved dwgs in more detail there was no reference to the Spandrel Panels in application ref no 124176/FO/2019.

If you need this material to be formally signed of we will need (a) a non material amendment application (S96) to include that detail and we will need you to resubmit the materials condition application again so that this material can be formally approved in that revised application

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
