Dear Sirs,

Application Number: 103134/FO/2013
Proposal: Retrospective change of use application for basement and ground floor of Ashton House from Women's Refuge to hostel.
Location: Ashton House, Corporation Street, Ancoats, Manchester M4 4DU

Thank you for your response to our application.

I would answer your questions raised in your letter of 25 July as follows:

1) I attach, as requested, a plan of the first floor.

2) I attach a supporting statement for the use which addresses the points you raise.

3) David Cohen is the owner of the building. I (Richard Drinkwater) am his architect and agent. It seems that my details were lost in the Planning Portal as I provided them when completing the forms online.

I believe that Certificate A is correct as I signed this on behalf of David Cohen.

4) A cheque for the fee of £385 was sent to the Council on 26th July and I presume that you have now received this.

Should you require any further information please do not hesitate to contact me.

Yours faithfully,

R Drinkwater
