Dear Sirs

Re: Units 1 to 3 West Street, Clayton, Manchester, M11 4EF

Please find enclosed a "Notification of a Proposed Change of Use to Dwelling(s)" form duly completed. I have also enclosed a location plan edged red.

I am advised that this is the form we need to submit to you in order that the building can be converted from its current use of offices to residential without the need for a formal planning application.

Please can you acknowledge this letter and also confirm that you are satisfied or otherwise regarding this notification.

Yours faithfully

S Doble
