Dear Sirs,

TOWN AND COUNTRY PLANNING ACT 1990
TOWN AND COUNTRY PLANNING (CONTROL OF ADVERTISEMENTS) (ENGLAND) REGULATIONS 2007
PROPOSED ADVERTISING LOCATION AT: LAND AT 63-71 NEW BRIDGE STREET, MANCHESTER, M3

Please find enclosed herewith an application to display advertisements at the above location. This has been submitted on behalf of the owners, Rajan Imports Ltd.

In order to assist this application and for the avoidance of doubt you will find enclosed:

- supporting document
- duly completed application forms
- full set of planning drawings – including elevations/visuals/location plans
- appropriate fee - £335

Having worked recently with David Hughes in the north team at the Former Boddingtons Brewery site; which culminated with the council granting consent for advertising panels including an iconic 33m high tower incorporating three square 9m x 9m panels (App Ref: 083596/AOH/2007/N1). I hope a similar positive outcome will also be reached with this application.

I trust all is in order and look forward to hearing from you in the very near future confirming receipt and registration of this application. I would also like to confirm that we are willing to arrange a mutually convenient time to meet and discuss matters further with the relevant planning officer when required. However during the interim period if you have any queries then please do not hesitate to contact us.

Yours faithfully
