Dear Ms Naor,

Ref: **19 Kingshill Road, Chorlton.**

Enclosed please find 5 copies each of our drawings 461-1 and 3 as requested.

My invoice for the copies is attached.

Please note my original appointment was with the former owners of 19 Kingshill Road; the drawing was prepared for their use only and excluded all 3rd party rights, however, I confirm I give you permission to use the drawings in your new planning application to the Authority and for the design in general to be build on site. You are aware this drawing was prepared over 3 years ago. I cannot be certain the details of the house arrangement is still the same, you will need to check this and make a judgment as to whether any aspect of the drawings need updating.

Please note our new address as above; the address shown on the drawings is no longer correct.

Yours sincerely,

John S Whiston. Architect.
