Notes
The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/opservices/rubbish/developers.htm

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.
	2 x 240L Bins - Stored internally as indicated on the layout plan - This is based on the typical volumes generated by a Costa Store of this size.
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.
	There is a bin store provided on the ground floor of the unit, this is highlighted on the plans. Bin bags will be placed on New Market Lane for daily collection.
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.
	Bin bags will be collected ~~daily~~ from New Market Lane by contractors twice weekly.
