Principal: Mr Barry Burke

15th January 2013

Dear Sir/Madam,

We have been approached by Ketumati Buddhist Community Group who are located close to the Academy about the possibility of using our car parking facilities as an over-spill for their events.

We are in agreement that this can happen on the agreed times and dates given by the group.

As part of the agreement, Ketumati Buddhist Community Group have agreed to put into place a parking steward on the day of each event which will help traffic flow in and out of the site, which has 92 parking bays.

All of this will happen during our normal opening hours and if the group requires additional car parking hours, they will be instructedon how to close the two car park gates to lock up after themselves.

If you require any further information, please do not hesitate to contact me.

Yours sincerely,

Paul Barrett
Marketing & Community Development Manager
