Part 1 – Particulars of the application/development

Proposal: New pitched roof to incorporate additional bedroom (and en-suite bathroom) accommodation and to act as a visual link to connect both semi-detached houses.

Location: 35-37 St. Werburghs Road, Chorlton, Manchester, M21 0TL

Date of application: 13 June 2012

Application number: 099544/FO/2012/S1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Reason(s) for decision

1) The proposed development, by reason of its scale, massing and impact within the street scene, would create an unduly obtrusive and incongruous feature. The dormer windows in the roof would adversely alter the profile of the roof, which would be out of character with the original property and with neighbouring properties in the surrounding area to the detriment of visual amenity. This is contrary to the advice given in National Planning Policy Framework Paragraph 7, Policy DC1 and Policies DM1and SP1 of the Core Strategy.

Date: 30 November 2012

Signed:

Head of Planning
Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA
