Dear Mr McNery

Use of Car Parking spaces at Manchester Regional Hockey Centre & Belle Vue LC

I am in receipt of your request for the parking up of up to seven Games staff vehicles during school term time only.

As a valued Partner of the Manchester Sport & Leisure Trust I can confirm that this arrangement is acceptable,however , this may need to be reviewed from time to time.

I look forward to the continued co operation and the reciprocating arrangements the centre has utilizing St Peters during major events at this facility.

Yours sincerely

Roger G Dean
