Subject Flexible use of retail premises

Hi Jennifer

We would like to apply for flexible change of use under the new legislation May 2013 for premises at 386-388 Palatine Road, Northenden, Manchester M22 4FZ.

The premises are currently used as offices (B1) and we will be trading as a gift shop (A1use) on the ground floor from 13th August 2013. The area of the premises is 788sqft. We understand that we will need to apply for permanent change of use approximately 8 weeks prior to the two period ending if we wish to continue to use the premises for A1 use.

If you need any further details please do not hesitate to contact us by email or on [redacted].

Kind Regards

Ghazala Salim
