Waste Management Strategy

PA Number:
Development description: Internal and external alterations to care home
Development location: 329 North Road Clayton
Strategy prepared by: DPW Design
Date Prepared: 20 12 2011

Notes
The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/opservices/rubbish/developers.htm

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.
	One euroliner bin. Based on the number of people that will occupy the care facility.
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.
	Location of the bin will be to the rear of the property as identified within the submitted plans.
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.
	The bin store is shown on teh submitted plans. **Bins can be wheeled to the bin wagon which would be positioned on North Road.**
