Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

Decision **Refused**
Date of Decision **14 July 2008**

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) The boundary wall by reason of its height, mass, appearance and materials used forms a visually intrusive feature upon a prominent junction, within the character of the street scene, to the detriment of visual and residential amenity therefore contrary to policies H2.2 and RF1 of the Manchester City Councils Unitary Development Plan.

2) The boundary wall is unacceptable due to the lack of pedestrian visibility splay at the vehicular access to the site, therefore detrimental to highways safety, contrary to policies H2.2 and RF1 of the Manchester City Councils Unitary Development Plan.

3) The boundary wall restricts the natural surveillance around the site and creates blind corners where potential offenders cannot be seen, and therefore acts as a potential target for criminal damage. Any activity within the car park cannot be viewed from the street, which would allow potential offenders to carry out criminal acts, in an area already subject to crime problems, giving rise to crime and security issues, and is therefore contrary to policies E3.5, H2.2 and RF1 of the Manchester City Councils Unitary Development Plan.
