Part 1 – Particulars of the application/development

Proposal: Change of use from place of worship (Use Class F1(f)) to day nursery (Use Class E(f)), with associated provision of cycle and scooter stands, car parking to the front and erection of acoustic fence

Location: 7 Moor End, Manchester, M22 4JQ

Date of application: 22 February 2022

Application number: 133018/FO/2022

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed use as day nursery is considered to be unacceptable due to the detrimental impact the use would have on the residential amenity of the occupiers of surrounding properties, including from internal and external use of the site, in terms of activity associated with, traffic generation and increased comings and goings to a single property in a predominantly residential area. The proposed use is therefore considered to be contrary to policies SP1 and DM1 of the Manchester Core Strategy and saved policy DC26 of the Unitary Development Plan for the City of Manchester.

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
