Dear Tony

We are writing on behalf of our client to seek to discharge pre-commencement conditions for the above planning consent.

Information is submitted for the following condition:

- **Planning Condition 3: SODA- Contaminated Land**

This condition has been partially discharged (CDN/21/0089) with a request for a phase 2 verification report to be submitted when available to fully discharge the condition.

Now that all the material fill has been completed to the landscape this verification report has now been completed and is attached.

Please do not hesitate to call if you have any queries or require further information.

Yours sincerely

Steve Wilby
