Waste Management Strategy

MANCHESTER CITY COUNCIL

PLANNING AND BUILDING CONTROL
27 DEC 2012

PA Number:
Development description:
Development location:
Strategy prepared by:
Date Prepared:

Notes
The following strategy should be prepared using the guidance document available from:

http://www.manchester.gov.uk/opservices/rubbish/developers.htm

1.	**Number of bins proposed?** - Please provide details of the number of bins proposed and how this was calculated.
	The number of bins will only be one as this is a new business.
2.	**Bin storage area** - Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point. - Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so.
	The storage area will be the same as it is now, the small bins and manually empty the bins into the main bin every evening within 100 meters radius.
3.	**Bin collection arrangements** - Please describe the bin collection area, including how and where bins will be moved to in order to reach the collection vehicle. - Please include plans showing how the collection vehicle will travel around the site.
	The bins will be located outside the premises but within the boundry of the premises. The bins will be moved to the front of the boundry point in order for collection. Please see plan marked '*'
