Part II – Particulars of Decision

The Manchester City Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 of the following decision

Decision **Refused**
Date of Decision **9 September 2008**

for the carrying out of development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:

Part III – Conditions and Reasons

1) The conversion of a single family dwellinghouse into four apartments would have a detrimental impact upon the character of the local area and upon maintaining a sustainable community, contrary to policies H1.2 and H2.2 of the Unitary Development Plan for the City of Manchester City Council Interim Policy Approach (Housing Development Pipeline: Planning Response), and the guidance contained within the Guide to Development in Manchester

Supplementary Planning Guidance, Planning Policy Statement 1 and Planning Policy Statement 3.

2) The proposal for the dwelling represents an over intensive use of the property that would increase congestion in the area and lead to an increase incomings and goings that would be detrimental to amenity of adjacent properties and contrary to policies DC5 and H2.2 of the Unitary Development Plan for the City of Manchester.

3) The amount of private amenity space proposed would be inadequate to meet the needs of future occupiers of the flats and would be contrary to policies DC 5 and H2.2 of the Unitary Development Plan for the City of Manchester and the Guide to Development in Manchester Supplementary Planning Guidance.

4) The proposal involves the creation of a car parking area in the front garden of the house which would be out of character with other properties in the area and which would be contrary to policy H2.2 of the Unitary Development Plan for the City of Manchester and the Guide to Development in Manchester Supplementary Planning Guidance.

5) The proposed development does not make adequate arrangements for the parking of vehicles within the curtilage of the site, and it is considered that the potential levels of traffic generated by the development would result in on-street parking in the locality, which would have a negative impact on the character of the area and be detrimental to the amenity of neighbouring residents. The proposed development would therefore be contrary to policies DC5, H2.2 and T2.4 of the Unitary Development Plan for the City of Manchester and the Guide to Development in Manchester Supplementary Planning Guidance.
