Part 1 – Particulars of the application/development

Proposal: Erection of first floor rear extension to form additional living accommodation to existing flat

Location: 14 Lansdowne Road, Manchester, M8 5SH

Date of application: 23 August 2016

Application number: 113538/FO/2016

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Officers have communicated their concerns about this proposal to the applicant during the course of the planning application, but these concerns have not been overcome. The proposal is considered to be contrary to the development plan and therefore refused in a timely manner.

Reason(s) for decision

1) The proposed first floor extension would by reason of its scale, mass, rearward projection and position, coupled with its relationship to neighbouring properties within the host terrace, form an over-dominant and intrusive feature that would have an adverse impact upon the amenity of neighbouring, first floor residential occupiers. The proposed development is therefore contrary to saved policy DC1 of the Unitary Development Plan for the City of Manchester, policies DM1 and SP1 of the Manchester Core Strategy, The Guide to Development in Manchester (SPD) and the National Planning Policy Framework (NPPF).

2) The proposed extension fails to achieve a satisfactory level of design and would by reason of its architectural massing and flat roof appear as a prominent and bulky addition, out of keeping with the character of the area to the detriment of visual amenity. As such, the proposed extension is contrary to saved policy DC1 of the Unitary Development Plan for the City of Manchester, policies DM1 and SP1 of the Manchester Core Strategy, The Guide to Development in Manchester (SPD) and the National Planning Policy Framework (NPPF).

Date: 3 October 2016
