Hi Victoria

These proposals are a bit more complicated than the ones for Mambo's due to the relationship between the establishment and the seating area. Where Solitas is positioned it does not overlook this seating area and this could lead to misuse, before providing any comments it would be useful to see the plans and how this space will be managed by staff.

Subject: Consult Lite

Good morning Patrick,

How is the consult lite coming on for the proposed outdoor seating area at Mambos?

Could I also ask that you undertake another Consult lite?
We do not currently have plans but it is for an outdoor seating area on Turner Street for the Solita restaurant. Shown on the map below.

Please let me know if there is any further information you require.

Kind regards
