General Notes

1. This drawing shall be read in conjunction with all other relevant Arup drawings, details specifications and reports.
2. All dimensions are illustrated in mm, unless otherwise stated.
3. Do not scale from this drawing.
4. Layout based on architectural Revit model received on 10/11/2021.
5. This Drawing is not an Installation Drawing.
6. All drivers located within plastic IP65 enclosure. Driver locations and quantities are indicative and exact location to be determined on site.
7. Refer to luminaire data sheets for detailed specification of luminaires, mounting requirements and attachments/accessories.
8. Planter spot lights, Type D, are indicatively placed in this drawing, final location to be determined on site.
9. Type B shall be mounted to underside of bench, detail of this can be found in the luminaire schedule.
10. Type C1 and C2 are sculptural reed lights to highlight the presence of soft planting within landscape areas.
