Part 1 – Particulars of the application/development

Proposal: Retrospective application for the retention of place of worship use within building (Use Class D1)

Location: Unit 13 Brookside Works , Clough Road, Harpurhey, Manchester, M9 4FP

Date of application: 11 June 2014

Application number: 105905/FO/2014/N1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Concern was raised with the applicant during the course of the application in respect of the impact of the use on surrounding residential amenity. The City Council has considered further information submitted by the applicant in this regard, however, this has failed to overcome the concerns raised.

Reason(s) for decision

1) The use of Unit 13 Brookside Works, as a place of worship (Use Class D1), creates harmful levels of noise, disturbance and comings and goings from the general activities associated with the use, such as vehicle movements and raised voices, along with noise outbreak from the premises (from singing and playing music and instruments). This has a detrimental impact on surrounding residential amenity particularly residents

along Joule Street and Clough Road. This is contrary to the provisions of policies SP1 and DM1 of the Manchester Core Strategy (2012), saved policy DC26 of the Unitary Development Plan for the City of Manchester (1995) and the guidance contained within the National Planning Policy Framework (NPPF) and the National Planning Policy Guidance (NPPG).

Date: 15 August 2014
