Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

All stores will be secured and situated outdoors. The bins will be kept out of sight by providing a timber bin storage, with easy access for collection. Open black timber below side extension to contain Flat 1 bins. Please refer to plans and Design and Access statement for further details.

Ensure all bins in the store are accessible	☒
Ensure recycling facilities are as easy to access as general refuse	☒

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - bins to be situated outdoors in timber bin stores

Hygiene - bins and bin stores to be jet washed occasionally

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

Residents will be directly responsible to place bins at the collection point then return them to the bin stores.

Please ensure that you have attached:
