Part 1 – Particulars of the application/development

Proposal: Change of use of retail shop (Use Class A1) to hot food takeaway (Use Class A5) together with erection of single storey rear extension, alterations to shopfront including installation of roller shutters and installation of external flue to rear

Location: 244 Middleton Road, Crumpsall, Manchester , M8 4WA

Date of application: 19 May 2014

Application number: 105543/FO/2014/N1

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 31 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. The applicant was requested to make alterations to the drawings to reflect the development on site. The proposal has been assessed against the policies in the development plan and was considered contrary to policies relating to the principle of food and drink uses along with the impact on surrounding residents.

Reason(s) for decision

1) The creation of a hot food takeaway (A5) at 244 Middleton Road is inappropriate in that it is not located in a parade of 8 or more shops and as a result will compound and intensify evening uses within the parade thus eroding the retail character of predominately day time uses. This will also result in comings and goings in close proximity to residential properties, particularly along Windle Avenue. This is contrary to the provisions of policies SP1, C10 and DM1 of the Manchester Core Strategy (2012)

and saved policies DC10 and DC26 of the Unitary Development Plan for the City of Manchester (1995).

Date: 14 July 2014
