Dear Sirs,

Re: **Creation of temporary Carpark 111 Jersey Street, Ancoats, Manchester M4 6JG – Planning App. 104378/FO/2013 – Response to Invalid letter**

Further to your letter dated 13.12.2013 we have the pleasure of enclosing the following in response to your schedule and in support of our application for Planning Approval for the above site.

1) Please find attached (enclosure sheet 1) Brochure details supplied by Manchester Cabins of the proposed cabin and WC to be utilised including proposed dimensions.
2) As noted within the design and access statement no further work is to be carried out to the site in terms of material finish or added security provision. Therefore no added measures will be provided. Any accidental damage caused will be dealt with by the car user and the land owner.
3) As noted within the design and access statement no further work is to be carried out to the site in terms of material finish or added security provision. Therefore there is no provision to be made for floodlighting or any other lighting.
4) With regards the fee my client requested and gained confirmation on payment that £195.00 was the correct fee for this application and no mention of change of use was discussed. In light of this we would therefore request that this issue is looked into and that the registration of the application is completed, so no further delay is caused until this is rectified.

We trust that the enclosed is satisfactory for purpose and validation will be issued in due course, if however you require anything further or have any queries please do not hesitate to contact the office.

Yours faithfully

Claire Wilde
