Comment Reasons:
Comment:I am writing to object to the proposed change of use at 136 St. Werburgh's Road.

From a personal perspective, I and my children have used various services at the address over the last few years, and it provides an incredibly important service to the local community. It is a very rare thing to find a gym that offers such a non-judgmental, welcoming service to the community.

This building is a vital community hub, home to a local, family-owned gym and other small, independent businesses that offer important services to the local community. These businesses support the health and wellbeing of local residents and contribute to the local economy. Many will be forced to close or relocate if this proposal is approved.

In addition, 136 St. Werburgh's Road is a Grade II listed building with significant heritage value. Converting it to flats would strip it of its role as a living, active part of the community.

I urge you to reject this application to protect a space that benefits our local community.
