

Architectural drawing of a building section. The drawing shows a three-story structure with a gabled roof. The section is divided into five vertical grid lines numbered 1 through 5. Horizontal level markers are shown on the right side, indicating the 1st Floor Level, 2nd Floor Level, 3rd Floor Level, and 1st Basement Level. A car is parked in front of the building. The drawing is labeled "Building Section" and includes a scale bar indicating 1 inch equals 10 feet.
