Food Waste

140L Wheeled Container
140L Total

01. Residents will transfer the waste from their apartment entrances to the refuse store which is located to the rear of the apartment block

02. Secure refuse store located at the back of the pavement

03. Building management will be responsible for ensuring the large doors are open and clear of obstructions on collections. From this point the bins can be collected and loaded into the refuse vehicle.
