INSALL MARK-UP 26.04.22
- SHOWING PROPOSED ITEMS
- AS ADVISED BY W. GROUP (NW)

Notes:
1. This survey is related to a local grid system. All levels are relative to Ordnance Datum Newlyn (ODN) by observations to OS Net via Network RTK GNSS technology.
2. All dimensions are in metres unless noted otherwise.
4. Scale factor for this survey drawing is 1.000000.

Jacobs U.K. Limited
This document has been prepared by a division, subsidiary or affiliate of Jacobs U.K. Limited ("Jacobs") in its professional capacity as consultants in accordance with the terms and conditions of Jacobs' contract with the commissioning party (the "Client"). Regard should be had to those terms and conditions when considering and placing reliance on this document. Any unauthorised use or reproduction is prohibited. This document is copyrighted by any of the Jacobs companies and is not to be reproduced by any third party without prior written permission from Jacobs. If you have received this document in error, please destroy all copies in your possession or control and notify Jacobs.

Any advice, opinions, or recommendations within this document (a) should be read and relied upon only in the context of the document as a whole; (b) do not, in any way, purport to include any manner of legal advice or opinion; (c) are based upon the information made available to Jacobs at the date of this document and on current UK regulations, standards, codes, technology and industry practices as of the date of this document. It should be noted and is expressly stated that no independent verification of any such documents or information supplied to Jacobs has been made. No liability is accepted by Jacobs for any use of this document other than for the purposes for which it was originally prepared and provided. Jacobs shall not be liable for failure to amend or update this document for any changes in such documents or data to advise the Client on any matters, including matters arising after the submission of advice pursuant to this document.

This document has been prepared for the exclusive use of the Client and unless otherwise agreed in writing by Jacobs, no other party may use, make use of or rely on the contents of this document. Should the Client wish to release this document to a third party, Jacobs may, at its discretion, agree to such release provided that (a) the third party agrees in writing that it shall have no recourse against any of the Jacobs companies for any loss, damage or expense whatsoever arising from or in connection with the third party's use of this document, whether in contract, tort (including without limitation, negligence), breach of statutory duty or otherwise, even if Jacobs has been advised of the possibility of such loss, damage or expense, and the third party indemnifies Jacobs against all actions, claims, demands, proceedings, losses, expenses, damages and costs whatsoever and howsoever arising out of or in connection with the third party's use of this document, whether in contract, tort (including without limitation, negligence), breach of statutory duty or otherwise, even if Jacobs has been advised of the possibility of such loss, damage or expense, unless there is any liability or obligation to the third party that Jacobs cannot exclude by law, and (b) Jacobs accepts no responsibility for any loss or damage incurred by the Client or for any conflict of Jacobs' interests arising out of the Client's release of this document to the third party.
