☐ The use, building works or activity in breach of condition began more than 10 years before the date of this application
☐ The use began within the last 10 years, as a result of a change of use not requiring planning permission, and there has not been a change of use requiring planning permission in the last 10 years
☐ The building works (for instance, building or engineering works) were substantially completed more than four years before the date of this application.

- ☐ Yes
☒ No

Please state why a Lawful Development Certificate should be granted

The applicants seek a Certificate of Lawfulness under Section 191 of the 1990 Act as amended for the use of the property as a HMO. Various documents have been submitted as evidence that make it clear that this use has taken place at the application site since September 2011. As a result, this means the property is immune from enforcement action, as this is in excess of the 10-year rule period.

With respect to the Authority, is the applicant and/or agent one of the following:

- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
