

All dimensions to be checked on site prior to the commencement of works.

Any drains passing under building to be exposed & encased in 150mm conc.

A line drawing of a house with a chimney, a window, and a door, with a small structure to the left. The drawing is simple, using black outlines on a white background. The house has a gabled roof with a chimney on the right side. A window with a grid pattern is visible on the right side of the house. A door is located on the left side of the house. To the left of the main house, there is a small structure with a flat roof and a chimney. The drawing is oriented horizontally.
