Waste Management Plan.pdf;

Dear Adam,

I would have to notify Environmental Health following the receipt of an application to discharge the condition, I shall send this to the technical services team to set up as a discharge of condition application, they will be in contact with regards to payment of the application fee.

Kind Regards

Jennifer

Hi Jennifer

Thanks for advising.

Please see the attached waste management plan in relation to Condition 5.

Hoping this is acceptable, I'd be grateful if you could advise if there is anything further required from me in order to achieve final sign off.

Thanks
Adam

Dear Mr Whyte,

Conditions 1-4, 6 and 7 required compliance with previously submitted approved details and does not require discharge. An application for discharge condition will be required for Condition 5 which was pre-occupation for the details of the waste management to be submitted.

Kind Regards

Jennifer

You don't often get email from [REDACTED] [Learn why this is important](#)

Good Afternoon

I am writing in relation to approved application 127310/FO/2020 for 10 Stockton Road, Chorlton, M21 9ED.

The construction of the property is now complete and I am now looking to discharge the 7 planning conditions set out in the planning permission decision.

I would be grateful if you could advise the best format for me to address each of the 7 conditions - for example, would pictures be suitable in certain instances etc.

Thanks
Adam
