- North Point

Key:

Proposed items

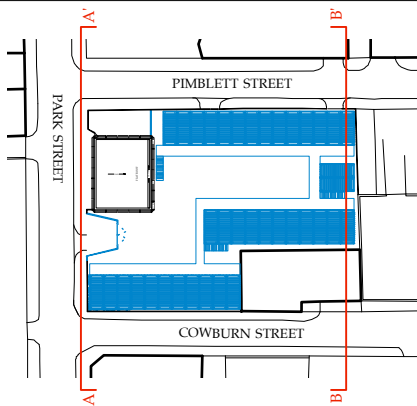

Removed items

New planting bed to the south-east corner for a fast-growing ivy to cover both sides as shown in the elevations. It would be supported on a wire framework fixed to the containers.

New recessed gate to form entry point. New fence and gate to match existing Palisade fencing (1.8m height approx.). Electronic pad either via a code or intercom system to provide secured access to the site.

Lamp post to support LED exterior car park flood lighting and CCTVs

RevA: 08.04.22
Fence & gate height specified
