High Rise Apartment Developments

	Yes/No - how much space has been provided?
0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	Yes - 4 square metres of storage space (1 square metre per unit). See drawing sheet No: 232/01 (02) 003 rev C.

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste -
Pulpable Recycling -
Mixed Recycling -
Food Waste -
Industrial Waste -

Has / will a contract be obtained with a licenced waste carrier?

☐

Mixed Use Developments

Are the stores for residential and commercial separate from each other?

☐

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

Each flat shall be provided with a 60 litre general waste bin, 37 litre pulpable recycling bin, a 37 litre mixed recycling bin and a 7 litre food waste caddy located in the kitchen.

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

Refer to drawing number: 232/01 (02)003 rev C.

Ensure all bins in the store are accessible

☒

Ensure recycling facilities are as easy to access as general refuse

☒

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - The waste store is located externally, and has no roof, fully ventilated.

Hygiene - External tap adjacent to downpipe at north corner of property. Pushbutton.
Gulley positioned underneath tap

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

The residents will be responsible for placing the bins at the collection point located on Clyde Road & for returning them to the store area.

Please ensure that you have attached:

Detailed plans of waste stores	☒
Location plans showing stores	☒
Location plans showing the proposed collection point and the route the collection vehicle will take	☒

Please ensure that you have completed this form in accordance with our GD04 Waste Storage and Collection Guidance for New Developments
