FIRE OCCUPANCY CAPACITY NOTES:

Storey exit capacity confirmed by the fire engineer

(after discounting the largest exit) is 343 + 163 = 506 persons.

IMPORTANT

Due to restrictions imposed by the existing stair widths, the maximum capacity for the upper floors is 846 persons.

Discounting the 245 person capacity of the First Floor, this allows a **maximum capacity of 601 persons distributed between 2nd and 3rd floors.**

MAXIMUM UPPER FLOOR CAPACITY OR

STOREY EXIT CAPACITY MUST NOT BE

EXCEEDED AT ANY TIME.
