Informatives

This decision relates to the extension or improvement of an existing dwellinghouse, falling within Class C3 of the Town and Country Planning (Use Classes) Order 1987 (as amended) and does not infer or imply approval for the use of the property for any other purpose.

Manchester City Council has made an Article 4 Direction to remove permitted development rights that allow for a change of use from Class C3 - *Dwellinghouses* to Class C4 - *House in Multiple Occupation*. This means that from 8 October 2011, planning permission is required for a change of use from a Dwellinghouse to a House in Multiple Occupation. Further information regarding the Article 4 direction can be found on Manchester City Council's website:

www.manchester.gov.uk/info/200074/planning/4847/article_4_direction

If you intend to use the property to which this decision relates for any purpose other than a dwellinghouse, you should first contact Manchester City Council's Planning Service. Failure to obtain any necessary planning permission prior to carrying out a

material change of use or physical development could result in enforcement action being taken, which can have serious implications.

This permission does not grant approval under Building Regulations.

The applicant will be required to enter into a Section 184 agreement with MCC Highways for a dropped kerb. This will need discussion and agreement with the council's Highways Maintenance Team via Contact Manchester (Tel. 0161 234 5004), further information can be found on the MCC internet pages: https://secure.manchester.gov.uk/info/474/parking_at_your_home/8170/apply_for_a_dropped_kerb

The applicant should be advised that all gated accesses will need to provide inward opening gates to ensure they do not impact on the adopted footway or highway. The proposed vehicle access should be such that the vehicle can reverse from the highway onto the driveway so the vehicle can then exit the driveway in forward gear.

The applicant is advised that any requirements for licensing, hoarding / scaffolding and any associated temporary traffic management arrangements will need discussion and agreement with the council's Highways Applications and Network Resilience teams via Contact Manchester (Tel. 0161 234 5004).
