

A vertical scale with a 1 m interval and a 10 m distance.

1:1250 @ A2

This drawing represents the design and function of the equipment depicted. The final product may vary in precise detail subject to suitability of component manufacture. Structural performance is not warranted, such information is available by separate warrant only where stated in writing from us and may be subject to charges. We take no responsibility for existing structures, patent infringements or design variations. We reserve the right to modify or change any features which do not fit with our final build programs as we see fit in the reasonable pursuit of best engineering practices and safe design without notice.

Technical drawing illustrating a suggested boundary enclosure for a stadium. The drawing shows a perspective view of a red modular structure and a side view of a white cylindrical structure.

Red Modular Structure Dimensions:

- Overall width: 4273 mm
- Overall height: 2453 mm
- Overall depth: 1345 mm
- Module width: 1203 mm
- Module height: 1198 mm

White Cylindrical Structure Dimensions:

- Overall diameter: 1700 mm
- Overall height: 900 mm

The drawing includes a perspective view of the red modular structure and a side view of the white cylindrical structure, both showing the suggested boundary enclosure.

South Easterly view of proposed fencing line (view towards Corn Brook)
