

The floor plan shows a symmetrical two-story building with a central corridor. Each side contains three bedrooms and one bathroom. The left side has a bedroom (450x540) at the top, a bathroom (270x320) at the bottom, and a bedroom (270x330) in the middle. The right side has a bedroom (450x540) at the top, a bathroom (270x320) at the bottom, and a bedroom (270x330) in the middle. The central corridor is 270 units wide. The overall dimensions are 450 units wide and 320 units high.

Room	Width	Height
Bedroom (Top Left)	450	540
Bedroom (Middle Left)	270	330
Bedroom (Bottom Left)	270	320
Bathroom (Bottom Left)	270	320
Bedroom (Top Right)	450	540
Bedroom (Middle Right)	270	330
Bedroom (Bottom Right)	270	320
Bathroom (Bottom Right)	270	320

NOTE:

1. All dimensions are in Centimeter.
2. Outer wall thickness is 20cm and the inner wall thickness is 10cm.
3. Drawing scale 1:50.
