install car charger

Thank you for considering us to quote on the above contract. Please find below our Quotation. We trust that you will find everything in order but should you need to discuss anything, please do not hesitate to contact us.

1	Supply engineers	£1,510.08	£1,510.08
1	100m of 3 core 10mm armoured, 4 way DB,	£1,317.80	£1,317.80
1	create a 300 x 600 channel to run cable across the parking area then back fill	£4,648.60	£4,648.60
1	1 x contractor bulk sand and 1 x paving sand 1 x stone and 1 x cement	£463.20	£463.20
1	impact plate, concrete saw and rotavator	£317.90	£317.90
		Total Net	£8,257.58

Notes :

please note to install the cable we would have lift a section of the carpark and dig out a 600mm deep trench to run the cable in this would mean the carpark would have to be empty the entire weekend .

This quote is subject to VAT at the standard rate where applicable
