Details of the pre-application advice received

David from the highways team visited my house and advised that dropped kerb was approved on the basis of the front wall extend 1 meter past the CAT V box outside. All the work has been done to this specification. I have an email from David's team confirmation approval was given, an extract is below:

Dear Andrew,

As David explained you won't need to move the CAT box. There is no VAT added on to the cost.

Kind regards

Mancon Team,

Subject: Re: Dropped kerb application

Hi

Thanks for this.

Please can i check 2 things:

1 - Does the price include VAT?

2 - Dave advised the CATV box could stay, and the front wall would be knocked down and rebuilt leaving at least a 1 meter gap from the end pillar to the CATV box, and a 2.4 meter gap from that pillar to the central pillar.

Please could you confirm before I instruct a contractor to carry out the work on the drive and wall.

Thanks,
Andrew

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
