This submission is a full planning application and is in accordance with the Electronic Communications Code (as amended) for permission for the development of:

The existing 6no antennas to be removed and replaced with 12no new antennas mounted on new support poles. The installation of 4no. transmission dishes, 2no cabinets to be installed on lower roof level on new freestanding frames. Together with ancillary development thereto. Including the removal of existing ERS units located behind parapet wall to be replaced with 36no new ERS units At CENTURION HOUSE, DEANS GATE, MANCHESTER, GREATER MANCHESTER, M3 3WR, E: 383637, N: 398148

Cornerstone is the UK's leading mobile infrastructure services company. We acquire, manage and own over 20,000 sites and are committed to enabling best in class mobile connectivity for over half of all the country's mobile customers. We oversee works on behalf of telecommunications providers and wherever possible aim to:

- promote shared infrastructure
- maximise opportunities to consolidate the number of base stations
- significantly reduce the environmental impact of network development

This application is submitted for and on behalf of Cornerstone.

The application comprises:

- Planning application form and certificates

In the first instance, all correspondence should be directed to the agent.

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (November 2016)

The enclosed application is identified as the most suitable site option and design that balances operational need with local planning policies and national planning policy guidance. It will deliver public benefit in terms of the mobile services it will provide.

Furthermore, we would like to assist the council and would like to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Should you have any queries regarding this matter, please do not hesitate to contact me (quoting cell number **12940026**)

In the first instance, all correspondence should be directed to the agent.
