

Dimensioning

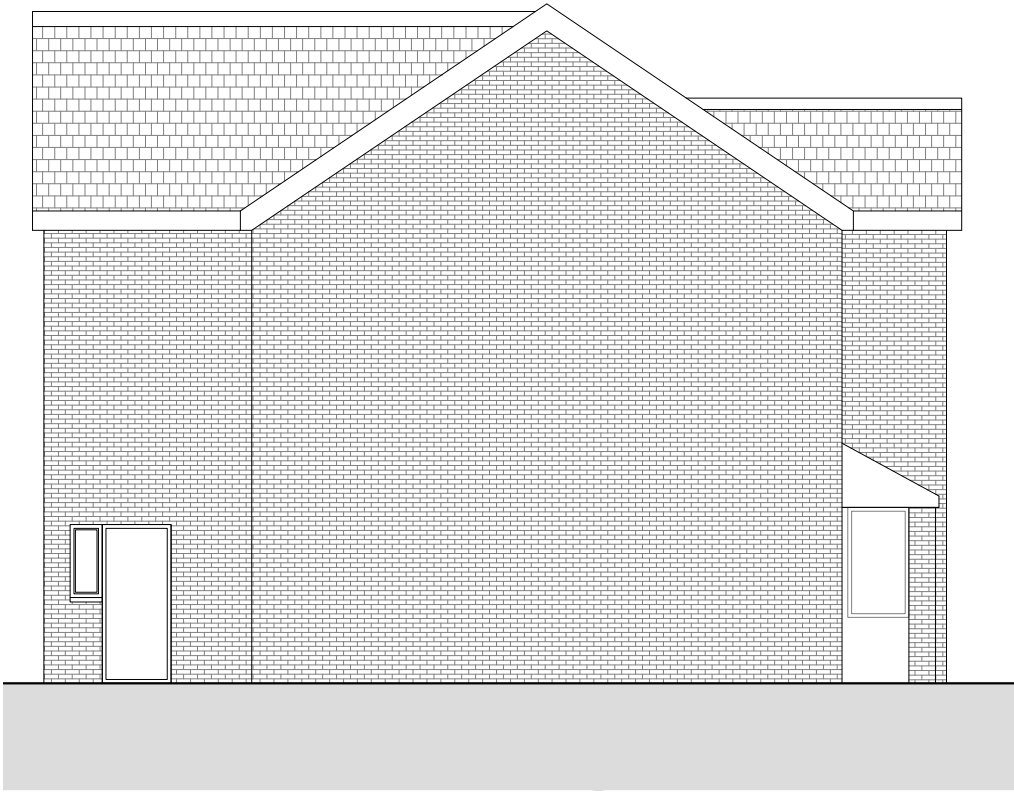

Figured dimensions only to be taken from these designs and drawings. Work to annotated dimensions only. All dimensions to be checked on site. Architectural designers to be informed immediately of any discrepancies before work proceeds. Drawings are to be read in conjunction with relevant specifications, structural engineers and service engineers' drawings.

The designer of this drawing takes no responsibility for any dimensions obtained by scaling from this drawing. If no drawing is shown, the recipient must ascertain the dimension specifically from the designer or by site measurements.

All works to be carried out in compliance with Local Authority Approvals, requirements and conditions. All works to be in accordance with the relevant BS or BS EN. Standard and codes of practice.
