Got any questions? I'm happy to help.

Privacy - Terms

Images may not reflect the true colour or accurate texture of bricks, therefore we advise that a sample should be obtained prior to ordering as delivery is non-refundable and collection/return of each pack is subject to a minimum of £95.00 ex. VAT charge plus a re-stocking charge of 15%.

**WIENERBERGER CLASS B RED 65MM PERFORATED WIRECUT
ENGINEERING BRICK PACK OF 400**

✓ **In Stock** **Code:** BR6388

The Red Engineering Class B brick made by Wienerberger, is a perforated brick that combines both high strength and low water absorption. Engineering bricks are specified for their physical characteristics and not their appearance. They have high compressive strength and low water absorption and are classified only by these properties. Their use for facing work should be avoided. Where aesthetic performance is a major consideration, facing bricks should be used. The number of perforations (vertical holes) may change.
