1 Alworth Road	Y	Very good use of space and Yes sympathetic to existing buildings. Better to see some new homes than the current rubbish dump that it is. Yes it will enhance the area, best news in the area for a long time. Good luck to the development I fully support.
6 Alworth Road	Y	I think it's great that the site can be used for the good of the local people. It's been empty for long enough and parts of it had become a dumping ground. The proposed new development will fit in fine with the surrounding area and look good. I'm glad it's been put to good use finally.
13 Symond Road	Y	A good boost for the area providing much needed housing on a long standing eye sore, primarily used for dumping rubbish. The design looks good with a good mix of sizes. This should help the viability of the local shops opposite on Vic Ave and Hill Lane. Good luck!
30 Symond Road	Y	The development will enhance the area. I am worried about the rendering of the buildings as this can look scruffy within a couple of years. The flats could have more character to be more inkeeping with the surrounding properties.
44 Symond Road	Y	The development is a good use of space and designs of the buildings fit in with the local area
59 Symond Road	Y	Be nice to see some houses on the space.
15 Nelson Road	Y	I believe the development will enhance the area
26 Nelson Road	Y	It's about time something is done with the Lion & Lamb site. You have my full support. It will be nice to see flats and houses at that site instead of a dumping ground.
27 Chain Road	Y	I believe the development is a good use of space, will enhance the area and will fit in with the current buildings in the area.
46 Chain Road	Y	Is a welcome development. People need houses, I will the idea.
102 Vic Ave	Y & N	Y - Abandoned area must be in use for the social N - In my opinion the environment of the area is important, keeping space like that good for other creatures that have a same right to live.
106 Vic Ave	Y	I fully support this, we need more social housing.
Misc	Y	It has been needed for a number of years
