

Waste Management Strategy

Application Number:

Development description: Change of use of Ground Floor into a Restaurant and Hot Foot Takeaway

Development location: 624 Stockport Road Manchester M13 0SH

Strategy prepared by: HSH Engineering Design Service, 428 Cheetham Hill Rd, Manchester M8 9LE

Date Prepared: Sept 2021

Notes

Ref :- 131398/FO/2021

The following strategy should be prepared using the guidance document available from:
<http://www.manchester.gov.uk/opservices/rubbish/developers.htm>

1. Number of bins proposed?

General refuse to store at the rear of the building in separate waste bins purchased at the size of 1100lt from Manchester City Council Environmental services and stored on premises.

2. Bin storage area

- Please include a plan of the proposed bin storage area, showing the bins that are proposed and the proposed collection point.

Please describe how occupants will transfer waste to the bin store and the distance travelled in doing so. Please see drawing No 7A

3. Bin collection arrangement.

Please describe the bin collection area, including how and where bins will be moved in order to reach the collection vehicle.

Please include plans showing how the collection vehicle will travel around the site.

Bins will be collected from rear of the unit at 624 Stockport Road which is a private forecourt . The bins will be wheeled at the rear of the unit for collection and wheeled back to its original position for storage, which is at the rear of the premises. Please see Drawing No 7A
