Part 1 – Particulars of the application/development

Proposal: Erection of timber framed canopy and refreshment cabin

Location: 302 Barlow Moor Road, Manchester, M21 8AY

Date of application: 1 July 2021

Application number: 130958/FO/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

The proposals would not improve the social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There are no conditions which could reasonably have been imposed, which would have made the development acceptable and it is therefore not possible to approve the application.

Reason(s) for decision

1) The proposals would by reason of their position, size, scale and design form incongruous and obtrusive features within the street scene. The prominent location of the proposed structures interferes with the building line of neighbouring properties by way of its location at the back of footpath along Barlow Moor Road. The developments are therefore contrary to the provisions of policies SP1, EN1 and DM1 of the Manchester Core Strategy, the Guide to Development in Manchester (2007) and the National Planning Policy Framework.

Date: 12 August 2021

Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.
