Part 2 – Particulars of decision

Manchester City Council gives notice that the detail(s) referred to in Part 1 are **Approved** in accordance with the information set out below.

Sustainable drainage

The submitted Maintenance & Verification report ref: 069912-CUR-00-XX-RP-002 revision P03 dated 21st October 2021, which includes maintenance strategy, as-built drawings and photographic evidence of the Sustainable Drainage Scheme has been examined, and is considered to be satisfactory. On the basis the approved scheme is implemented in accordance with the maintenance details and thereafter managed and maintained for as long as the development remains in use, condition no.6 is discharged.

Cycle Storage

The submitted Crossley Street - Bike Shed Specification, which illustrates the proposed secure bike sheds, has been examined, and the details contained therein are considered to be acceptable. On the basis that the approved bicycle shed design is implemented in the previously approved locations shown on plan ref: 02 rev.G (which was approved as part of application ref: 131962/JO/2021), prior to occupation of the first dwellinghouse, and the approved facilities are then retained and permanently reserved for bicycle parking, I can confirm that condition no.9 is discharged.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 or sections 20 and 21 of the Planning (Listed Building & Conservation Area) Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-inspectorate. The Inspectorate will publish details of your appeal on the internet.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
