

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

Town & Country Planning Act 1990 (as amended)

Planning Permission

Applicant

Mr Norman Hughes
1211 Rochdale Road
Manchester

Part 1 – Particulars of the application/development

Proposal: Erection of two storey detached dwellinghouse (Class C3) with accommodation in the roof space together with associated parking, landscaping and boundary treatment

Location: Land Adjacent To 116 Wilton Road, Manchester, M8 4PX

Date of application: 6 September 2021

Application number: 131392/FO/2021

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Alterations to the scale, siting and appearance of the proposed dwellings have been sought through the course of the application. The proposal is considered to be in accordance with the Development Plan and therefore determined in a timely manner.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of this permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

1194.02 Rev A, 1194.03, 1194.05, Design and Access Statement, Flood Map, stamped as received on the 17 August 2021 and 1194.04 Rev C, 1194.06, Ground Investigation and Risk Assessment Report by Stuart Smith Associates and the Waste Management Plan, stamped as received on the 6th September 2021.

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) Prior to the commencement of development, samples and specifications of all materials to be used on all external elevations of the development, external surfaces and boundary treatment shall be submitted to and approved in writing by the City Council as local planning authority. The development shall be fully implemented in accordance with the approved details, which shall be maintained in situ thereafter.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1, EN1 and DM1 of the Core Strategy for the City of Manchester.

4) a) Before the development commences a scheme for acoustically insulating the proposed residential accommodation against noise from Wilton Road shall be submitted to and approved in writing by the City Council as local planning authority. There may be other actual or potential sources of noise which require consideration on or near the site, including any local commercial/industrial premises.

The potential for overheating shall also be assessed and the noise insulation scheme shall take this into account. The approved noise insulation and ventilation scheme shall be completed before any the dwelling is occupied.

Noise survey data shall include measurements taken during a rush-hour period and night time to determine the appropriate sound insulation measures necessary. The following noise criteria shall be required to be achieved:

Bedrooms (night time - 23.00 - 07.00) 30 dB LAeq (individual noise events shall not exceed 45 dB L_{Amax,F} by more than 15 times)

Living Rooms (daytime - 07.00 - 23.00) 35 dB LAeq

Gardens and terraces (daytime) 55 dB LAeq

b) Prior to first occupation of the residential units, a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that the internal noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the internal noise criteria.

Reason - To protect the amenity of the occupants of the premises once the development hereby approved is occupied, pursuant to policies SP1, H1 and DM1 of the Core Strategy.

5) The waste management arrangements shall be carried out in accordance with Waste Management Strategy, stamped as received by the City Council, as Local Planning Authority, on the 6 September 2021. The approved scheme shall be implemented prior to the first occupation of the building and shall remain in situ whilst the use or development is in operation.

Reason - To ensure adequate refuse arrangement are put in place for the development pursuant to policies EN19 and DM1 of the Manchester Core Strategy.

6) a) Before the development hereby approved commences, a report (the Preliminary Risk Assessment) to identify and evaluate all potential sources and impacts of any ground contamination, groundwater contamination and/or ground gas relevant to the site shall be submitted to and approved in writing by the City Council as local planning authority. The Preliminary Risk Assessment shall conform to City Council's current guidance document (Planning Guidance in Relation to Ground Contamination).

In the event of the Preliminary Risk Assessment identifying risks which in the written opinion of the Local Planning Authority require funot commence until a scheme for the investigation of the site and the identification of remediation measures (the Site Investigation Proposal) has been submitted to and approved in writing by the City Council as local planning authority.

The measures for investigating the site identified in the Site Investigation Proposal shall be carried out, before development commences and a report prepared outlining what measures, if any, are required to remediate the land (the Site Investigation Report and/or Remediation Strategy) which shall be submitted to and approved in writing by the City Council as local planning authority.

b) When the development commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority prior to the first occupation of the development.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to DM1 and EN18 of the Core Strategy.

7) Prior to the first use of the use of the development, 1 no. electric car charging point shall be installed within the site, in accordance with a scheme submitted for approval in writing by the City Council, as Local Planning Authority. The approved scheme shall be implemented prior to the first use of the development and made available and thereafter retained for as long as the development is in place.

Reason - In the interest of promoting alternatives and minimising the impact of the development on air quality pursuant to policies EN16 of the Manchester Core Strategy (2012).

8) A Construction Management Plan should be provided by the applicant prior to any construction works beginning. The Construction Management Plan should detail the phasing and quantification / classification of vehicular activity associated with planned construction. This should include commentary on types and frequency of vehicular demands together with evidence (including appropriate swept-path assessment) of satisfactory routing both within the site and on the adjacent highway. The document should also consider ongoing construction works and contractor parking in the locality. It is also requested the applicant provides a dilapidation survey as part of the Construction Management Plan document. The survey should include photographs and commentary on the condition of carriageway / footways on construction vehicle routes surrounding the site.

Reason - To safeguard the amenities of nearby residents pursuant to policies SP1, EN19 and DM1 of the Manchester Core Strategy

9) No part of the development shall be occupied until space and facilities for bicycle parking have been provided in accordance with details to be submitted to and approved in writing by the City Council as local planning authority. The approved space and facilities shall then be implemented prior to the first occupation of the development and retained and permanently reserved for bicycle parking.

Reason - To ensure that adequate provision is made for bicycle parking so that persons occupying or visiting the development have a range of options in relation to mode of transport in order to comply with policies SP1, T1 and DM1 of the Core Strategy.

10) No development shall commence until a hard and soft landscaping treatment scheme has been submitted to and approved in writing by the City Council as local planning authority. The approved scheme shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

11) Notwithstanding the submitted details, the development hereby approved shall not be occupied until a plan indicating the positions, design, materials and type of all boundary treatment (including gates) to be erected, has been submitted to and approved in writing by the City Council as Local Planning Authority. The boundary treatment shall be completed before the dwellinghouse hereby approved is first occupied. The development shall be carried out in accordance with the approved details and shall thereafter be retained.

Reason - To ensure that the appearance of the development is acceptable to the City Council as Local Planning Authority in the interests of the visual amenity of the area within which the site is located, pursuant to policies SP1 and DM1 of the Core Strategy.

12) Prior to above ground development commencing, an Environmental Standards Statement shall be submitted to, and approved in writing by, the City Council, as Local Planning Authority. The statement shall demonstrate measures to be incorporated into the development to achieve energy efficiency and approved measures shall be implemented in the construction of the approved development.

Reason - In order to minimise the environmental impact of the development, pursuant to policies DM1 and SP1 of Manchester's Core Strategy and the National Planning Policy Framework.

13) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no part of the development shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a). For the avoidance of doubt, this does not preclude two unrelated people sharing a property.

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

14) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no garages, extensions, roof dormers, porches or outbuildings and boundary treatment, including fencing and walls, shall be erected other than those expressly authorised by this permission.

Reason - In the interests of residential amenity pursuant to policy SP1 and DM1 of the Core Strategy for the City of Manchester.

15) Prior to the first occupation of the development, the first and second floor stair window on the north gable shown on drawing number 1194.04 Rev C, stamped a received on the 6 September 2021, shall be obscurely glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent properties from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Core Strategy.

16) No development shall take place until details of the alterations to the existing highways, and for construction of the proposed vehicular access and dropped kerbs on Wilton Road have been approved in writing by the City Council as local planning authority. The development shall not be occupied until the works have been constructed in accordance with the approved details.

Reason - In the interest of highway and pedestrian safety pursuant to policy DM1 of the Manchester Core Strategy (2012).

17) Notwithstanding the car parking layout, as indicated on drawing number 1194.02 Rev A, stamped as received on the 17 August 2021, by the City Council as Local Planning Authority. Prior to the occupation of the development details of the dimension of the car parking layout, shall be provided and made available. The car parking layout shall be retained and maintained for as long as the development remains in use.

Reason - To ensure sufficient car parking is available for the development pursuant to policies SP1, T1, and DM1 of the Manchester Core Strategy (2012).

18) Prior to the commencement of the development, a survey shall be carried out to confirm the exact location, invert, size and condition of the Crumpsall Brook culvert which is located within the application site. Once the location of the nearby culvert is identified, a 3m easement surrounding the culvert should be maintained and clearly illustrated on the drainage layout. The details shall be submitted for approval by the City Council, as Local Planning Authority, and details agreed shall be implemented as part of the development.

Reason: To prevent the increased risk of potential damage to the existing culvert which is located within the property boundary, to improve and protect water quality and ensure future maintenance of the surface water drainage system pursuant to policy EN17 of the Core Strategy.

19) Development shall not begin until a surface water drainage layout for the site, based on sustainable drainage principles has been submitted for approval in writing by the City Council, as local planning authority. The development shall be constructed and completed in accordance with the approved details.

Details provided of how the scheme shall be maintained and managed after completion shall be submitted for approval prior to the first occupation of the development and thereafter retained and maintained in situ.

Reason: To prevent the increased risk of flooding, to improve and protect water quality and ensure future maintenance of the surface water drainage system pursuant to policy EN17 of the Core Strategy.

Informatives

Building Regulations 2010

This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements

Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:

http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

Mining Information

The proposed development lies within an area which could be subject to current coal mining or hazards resulting from past coal mining. Please read the Standing Advice from the Coal Authority in Appendix A.

Construction/demolition works shall be confined to the following hours unless otherwise agreed in writing by the City Council as local planning authority:

Monday - Friday: 7.30am - 6pm

Saturday: 8.30am - 2pm

Sunday / Bank holidays: No work

The proposed development should be designed and constructed to Secured by Design standards including laminated glazing; security-certified windows and doors (please see www.designforsecurity.org/secured-by-design/ or www.securedbydesign.com for more information). Developments that are built to this standard are less likely to be susceptible to crime.

All garden boundary treatments adjacent to publically accessible land In particular the rear boundary should be 2100mm.

Entrance gates should be installed that lead to the rear of the property and should be set forward as close to the building line as possible.

Dusk til Dawn lighting should be installed on all external doors

Any external bin store should be a secure, lockable and fire resistant enclosure.

The applicant will be required to enter into a Section 278/184 agreements for the alterations to the existing highways, and for construction of the proposed vehicular access and dropped kerbs on Wilton Road and will require a crossing licence/agreement. This will require the agreement with MCC's Highways Applications and Network Resilience teams via Contact Manchester (Tel. 0161 234 5004). This will be funded at the applicant's expense.

Date: 1 November 2021

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/planning-inspectorate. The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
