Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

Officers have attempted to work with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. The applicant was advised of the City Council's concerns, in relation to this advertisement, and invited to withdraw the application, but this was not actioned.

Reason(s) for decision

1) The proposed advertising display would by virtue of its size, location, design, appearance and levels of luminance, have a detrimental impact on visual amenity thereby constituting an unduly obtrusive, incongruous and over dominant feature within the streetscene and in a prominent location on Wellington Street and close to the junction of Wellington Street and Cross Lane, two heavily trafficked roads. The proposal

would therefore have an unacceptable and detrimental impact on the amenity of the area and be contrary to government guidance contained in chapter 12 of the National Planning Policy Framework, the Core Strategy for the City of Manchester in particular policies EN1 (Design Principles and Strategic Character Areas), DM1 (Development Management) and SP1 (Spatial Principles) and saved policies DC15.1 and DC15.2 (Advertisements, Hoardings and Posters) of the Unitary Development Plan.
