Garden Waste	140 / 240	1 x wheeled bin	0
Food Waste	23	1 x 23 litre caddy	1 x 23 litre caddy.

High Rise Apartment Developments

	Yes/No - how much space has been provided?
0.43m ² has been provided per apartment for the container space. Space to manoeuvre and access containers individually has also been provided so that each container can be accessed and removed for collection individually.	

Commercial Developments

Please state number of bins you propose, showing calculations where appropriate.

General Waste -
Pulpable Recycling -
Mixed Recycling -
Food Waste -
Industrial Waste -

Has / will a contract be obtained with a licenced waste carrier?

☐

Mixed Use Developments

Are the stores for residential and commercial separate from each other?

☐

YES

Internal Stores (Residential and Commercial)

Please provide details of internal stores / segregation of waste and recycling.

In the flat, the kitchen area is to have enough room to accommodate the recycling items.

For the Shop, the Storage area is to be designated near the rear door of the Shop

Storage Areas for Waste Containers (Residential and Commercial)

Please provide details of container stores, attaching plans if appropriate.

There is a rear yard which is easily accessible by both the flat and the shop. The yard is secured by the gate, at the rear. The rear yard is big enough to accommodate 1 240 L domestic bin & 1 commercial bin. The location of the domestic and commercial bins is marked in the attached Plan.

Ensure all bins in the store are accessible

☐

Ensure recycling facilities are as easy to access as general refuse

☐

Please confirm details of waste store ventilation and hygiene / cleaning proposals

Ventilation - The rear yard is in open air and has ample ventilation
Hygiene - The rear yard is secure and it will be monitored to maintain excellent hygiene conditions

Please provide details of who will be responsible for placing the bins at the collection point and returning them to the store / property promptly e.g. resident / management company

The occupiers / residential will be responsible for waste presentation on the collection day

Please ensure that you have attached:

Detailed plans of waste stores	☒
Location plans showing stores	☒
Location plans showing the proposed collection point and the route the collection vehicle will take	☒

Please ensure that you have completed this form in accordance with our GD04 Waste Storage and Collection Guidance for New Developments
