30th November 2021

Dear Sirs

First Street, Manchester - Pre-construction Condition 10

Further to condition 10 of the above consent, I write to confirm that the submission of final details of the public real works and highway works associated with phases A and B is planned to be made on or around 16 October 2023. This submission will cover all details of design, including those items listed under the condition sub-clause headings a) to m).

Assuming a 6 week approval period, works will be implemented on site thus:

Phase A – August 2024 to February 2025

Phase B – February 2024 to August 2024

Yours faithfully

George Tyson
Projects Director
