Dear Planning Team

### **Application for Advertisement Consent – Melt Diner, 704 Wilmslow Road, Didsbury**

I attach a retrospective application for Advertisement Consent in connection with the above premises. The application follows an approach from Matthew Kilsby (Senior Development Compliance Officer).

I have been unable to ascertain the intensity of illumination associated with the signs and have entered an unrealistic value of  $1\text{cd/m}^2$  for each sign, in order to be able to complete the application form, as the Planning Portal does not allow anything other than a numeric value. This value is clearly incorrect and no doubt you will wish to give the illumination appropriate consideration in your assessment of the application.

Yours sincerely

Brian Twigg. Dip URP, MRTPI.
